ORDER CORRECTING ERROR IN DECISION 03-07-023

In Decision (D.) 03-07-023, the Commission implemented rate changes for the unbundled network elements (UNEs) sold by Pacific Bell Telephone Company (Pacific, d/b/a SBC California). The rate changes were the result of an increase in the shared and common cost markup from 19% to 21% and a 13%

reduction in the expense portion of monthly recurring costs. The effective date of the rate change was September 19, 2002.

Conclusions of Law 2 and 3 in the order contain a typographical error and should be corrected to clarify that Pacific should calculate any rate adjustments for UNEs on or after September 19, 2002, rather than September 19, 2003.

IT IS ORDERED that the typographical errors in Conclusions of Law 2 and 3 of Decision 03-07-023 are corrected as set forth herein.

This order is effective today.

Dated January 6, 2004, San Francisco, California.
